

The Mexican American Bar Association

Presents its annual

MABA ATTORNEY MENTORSHIP PROGRAM

This program will provide MABA's student members with the opportunity to build lasting relationships with MABA attorneys who can provide study, career, and job search guidance.

MABA needs YOU – ATTORNEY 'mentors' to connect with 'mentee' law students from local law schools including: Loyola Law School, Southwestern Law School, Pepperdine Law School, UCLA School of Law, and USC Law School. MABA will match attorneys with students by considering such things as the law student's and attorney's career interests/career, law schools, and hobbies.

MENTORS: If you are interested in mentoring a Latino/a law student, please email the **Attorney Information Form** to MABA at mabalaco@sbcglobal.net by **August 1, 2015**.

MENTEES: If you are a student interested in being matched with a MABA attorney, please email the **Student Information Form** to Catalina Reynoso at reynosoc@lls.edu by **August 1, 2015**.

(In order to participate, you must be a registered MABA student member. Membership is free for students! If you are not a MABA member, visit the MABA website and register online at any time.)
